## The Hall has a New Hat!

Our new roof is now in place. The *'Interlock'* Roofing system, made of aluminum, was chosen for its environmental and energy efficient attributes. The company has offered us a \$500 referral fee for any business they get as a result of hall referrals. This extends to any new roof within Ontario. If you, or friends or family, are looking to re-roof your home, please consider this offer. Check our website for further details.

**Mailboxes at the Hall are moving and help is needed to clear the space.** Canada Post will re-locate the mailboxes by the end of November to the opposite side of the parking lot, to the right of the community bulletin board. We need strong bodies to help take out the wooden planter and bushes to make room. If you can help, or would like the bushes, please contact Wendy [leydensmith@gmail.com](mailto:leydensmith@gmail.com)
