Thank you!

Community Future Planning Meeting

Wednesday April 12th, 7pm - 8:30pm @ Main Hall

You are invited to participate in a community wide meeting about the future of the EMCC. Over the past few years we've fallen out of our usual (and frequent!) clubs, events, and gatherings. This spring we're working towards increasing participation, events, engaging volunteers and inviting volunteers to join leadership positions.

TripTease! Vienna, Venice, Florence, and Germany

Friday April 14th 7pm @ community hall

Ed & Heather Nagel take us on a relaxing tour through their recent trip through Vienna, Venice, Florence and Germany.

Eden Mills History Day

Sunday April 16th 2pm - 4pm @ Community Hall

Join local historian Barb Marshall (of Memorial Street) and other local exhibitors as we show off the storied and interesting history of the village and the community hall. Stay for a minute or all afternoon, we're happy to welcome you be a part of our ongoing story.

Native Plant Garden, Garbage Pick-up, and Movement

Thursday, April 20th 3-5 pm @ Community Hall

Contribute to planting pollinator species in a small patch of soil in front of the Community Hall. Come get some garbage bags to help clean up the village (on your own time). We will see how much garbage we can collect as a community from April 20-24th. If there is interest, we will hold a short welcome-the-sun movement practice!

Family friendly; all ages welcome! Bring your own shovels and garden tools if you can! Question or thoughts email Katarina @ kvuckovi@gmail.com
