Each year Ed makes a generous donation to the hall to keep our elevator running safely. Thank you Ed! How lucky are we to have a villager like you.

Edible Forest Garden Work Bee

Sunday May 7th, 9am - noon @ the forest garden

Everyone is welcome, whether you have gardening experience or not. This is a great place to learn from each other. And if you are not into the planting, I'm sure we could use your creative insights and ideas in other ways (making signs, beautification ideas, design, making lemonade for the hard workers, etc). If you can't make it to this work bee but want to get involved, please reach out - there are ongoing tasks and creative projects that different folks can take on throughout the season, as time permits. Contact Katarina for questions: kvuckovi@gmail.com

Annual Community Yard Sale

Saturday, June 10th, 8am - noon @ the hall or your driveway

We're revitalizing an old annual tradition at the hall. You're welcome to rent a table or two (by donation - we suggest \$5-10), in the hall parking lot, or you're welcome to take advantage of the increase in traffic through the village and set up in your own driveway. We won't be able to dispose of any leftovers so please plan to take away any unsold items at the end of the sale.

We may be having a coffee + muffin fundraiser at the hall as well, if you're interested in volunteering for all or part of the morning, please let us know by responding to this email.

EMCC Trivia

Do all EMCC activities take place at the hall?

We sponsor events and activities all throughout the village. For example, last summer we sponsored the Summer Family Picnic in the Park, the Annual Christmas Tree burning party and on the horizon we are looking to sponsor badminton and baseball.

If you have a great idea for a club or event - reach out to your favorite board member or respond to this email. We can assist with the "how-to" of running an event, publicity, tracking attendance, and contribute funding. Yes, it *does* take a village!
